FIGHTS 11TH-AVE TRACKS.

Father Chidwick Calls Attention to Many Recent Accidents.

Citizens of the West Side are indignant over the apparent apathy of the officials of the New-York Central Railroad in the matter of removing the tracks from 11th-ave. The Rev. John P. Chidwick, who was chaplain of the ill fated battleship Maine, now rector of St. Ambrose's Church, No. 513 West 54th-st., and who was recently elected president of the committee of fifty for the removal of the tracks, has taken up the fight in earnest, and he says the committee, noting the many recent accidents, has decided to push the matter with greater vigor

When seen at his home yesterday Father Chidwick said that since the establishment of Clinton Park, at 52d-st. and 11th-ave., children so there from as far north as 67th-st. and from as far south as 42d-st. The children, he said, range from five years old upward, and the park, instead of being a place of amusement and recreation for them, is a source of great danger, for they have to cross the railroad tracks to

"Last Wednesday," said Father Chidwick, "at 5 p. m., Andrew Boney, a seventeen-yearold lad, of No. 538 West 55th-st., while riding on the cars, was thrown from one of them, and eleven cars passed over his body before the train was stopped. Last Friday night Alexander Cahill, of No. 66 East 93d-st., was run
over and killed by a train on the avenue. A
woman was killed two weeks ago, and a few
days later a watchman named McManus met
his death near Clinton Park at 54th-st. A boy
named West was also killed by a train in the
last two weeks."

named West was also killed by a train in the last two weeks."

Father Chidwick said that the New-York Central was trying to get the city to build a subway for freight trains. "Assemblyman Bedell," said he, "who is on the Committee on Rules, promised some time ago that some definite action would be taken by the legislature in the matter, but up to date nothing has been done." He pointed to the fact that the East Side of the city, which is free from steam railroad tracks, has developed, while the West Side is practically a village in comparison, attributing this to the railroad tracks obstructing the streets and endangering the lives of pedestrians from day to endangering the lives of pedestrians from day to day. There is to be a meeting at the Green-wich House, No. 26 Jones-st., on Sunday night, of the Chelsea division of the citizens' com-mittee.

MADE NAVIGABLE WATERS OF U. S.

Steamboat Inspection Laws Extended to the Illinois River.

Washington, Nov. 29.-The Illinois River was today declared "navigable waters of the United cay declared navigable waters of the United States" and subject to the steamboat inspection laws. This action was taken by the Department of Commerce and Labor as the result of long contin-ued complaints that vessels navigating the river were without inspection or navigation rules gov-

erning meeting and passing and lights.

That part of the river to which the new jurisdiction applies is between the Illinois and Michigan Canal and the Illinois State dam and dock at Copperas Creek, a distance of eighty-eight mics. When the Chicago Canal is completed the Illinois River will constitute one of the links of the waterway connecting the Great Lakes with the Gulf of

Mexico.

As a result of acquiring jurisdiction, it is expected that the steamboat inspection service will at once begin an inspection of the equipment of steamers on the river. The decision was prepared by Solicitor Sims, of the department.

DIVORCE GRANTED TO HENRY C. BELL.

Extreme Cruelty Charged Against Wife, Daughter of New-York Clergyman. (By Telegraph to The Tribune.)

chicago, Nov. 23.—Henry C. Bell, a well known capitalist and manufacturer of this city, was granted a decree of divorce by Judge Kavanagh, of the Circuit Court, from his wife, Priscilla D. Bell. The decree was based on charges of extreme cruelty contained in an amended bill filed by the plaintiff. In his original bill Mr. Bell alleged that

plaintiff. In his original bill Mr. Bell alleged that his wife and William H. Hibbard, a New-York publisher, took a trip to Europe together last June. Mrs. Bell. who is the daughter of the Rev. Dr. Stratton, of No. 34 West 194th-st., New-York City, filed an answer to her husband's charge, in which she denled the allegations.

Her father came here when Mr. Bell filed his suit, threatening dire things against the latter. Mr. Bell then filed his amended bill. Mrs. Bell is to receive \$390 a month allmony by special agreement. Every effort was made by the attorneys in the case to keep the divorce proceedings a secret. The transcript of evidence is missing, and is said to be in possession of one of the attorneys in the case.

MISS BRONSON LEAVES \$750,000 ESTATE.

Waterbury, Conn., Nov. 29.-An estate estimated at \$750,000 is disposed of by the will of Miss Susan Bronson, which was offered for probate to-day. To nephews and nieces, Charles, George and Mary Murdock, of Meriden, Harriet A. French, of Greenfield, Mass., and Dr. Edward B. Bronson, of New-York, is given \$50,000 each. After several smaller bequests the residue of the estate is left to a nephew, J. Hobart Bronson, of this city. In a codicil \$19,000 is given to another nephew, Samuel L. Bronson, of New-Haven, for services rendered in managing his aunt's property. A second codicil revokes this and provides that he shall have only what the court shall decree to be fair compensation

Miss Bronson a year ago entered suit for \$1,200,000 against Samuel L. Bronson, asking for an accounting of property in his care, and his answer included a demand for compensation for services. The enswer also alleged that J. Hobart Bronson was instrumental in the bringing of the suit by Miss Bronson.

PAUL KELLY'S CLOSED.

Landlord Has Police Eject Notorious Dive Keeper.

Paul Kelly's notorious saloon. "Little Naples," at Nos. 57 and 59 Great Jones-st., is closed. This is the dive where William Harrington was shot to

death last week. Captain Hodgins called at the saloon yesterday. armed with a typewritten notice, which was affixed to the doors. This notice read.

These premises, Nos. 57 and 59 Great Jones-st. are closed. No business will be transacted on said

The notice bore no signature, but Captain Hodgins said that it was put up by direction of the owner of the premises, Samuel Keeler, of No. 183 When the captain reached the place the only

occupant was the bartender. The captain told him that the place was to be closed by the owner and that the present occupants would have to vacate. The bartender at once closed up the place.

The saloon is in a two story brick building, which

is occupied exclusively by Kelly. He has not been seen since the shooting, a week ago, and the police seen since the shooting, a week ago, and the points think that he is wounded and in hiding in the city. His hat, shot full of holes, was found in the place after the affray.

Commissioner McAdoo, District Attorney Jerome and Corporation Counsel Delany got together on the matter and the owner agreed to oust the occupant of the place.

Murphy, was dismissed yesterday from the Department of Parks by order of Samuel Parsons, jr., Park Commissioner for the Boroughs of Manhattan and Richmond. Mr. Mulroney was one of several employes of this department who were asked to resign a short time ago by Mr. Parsons. The order of dismissal was as follows:
